

## A Brief Synopsis of Building Permit Activity for July 2012

There were a total of 37 single-family building permits issued in the month of July. The majority of permits issued this month were not in unincorporated Tippecanoe County but in Lafayette which had a total of 18 permits issued. The county had 15 and West Lafayette had 4.

All of these building permits were for traditional detached single-family housing. The five-year average for single-family July permits (2007 to 2011) is 41.2 permits issued with a mean of 38 (the number halfway between the high of 52 permits [July 2008] and the low of 24 permits from July 2011).

No permits were issued for multi-family construction this month. All single-family residential subdivisions which had activity are shown below as well as the location by civil township of the 37 single-family permits.
